Strategic Systems Programs (SSP) – SSP now has a public website with all programmatic history and facts about SSP, the Fleet Ballistic Missile Program and current initiatives. <http://www.ssp.navy.mil>

Requests - We have been getting a lot of E-Mail returned from the domain mailing list as undeliverable for numerous reasons. We have lost touch with some of our friends. So, I would like to request the following things of you.

1. **PLEASE DO NOT REPLY** to the update e-mail addresses "pomflant, pomflant1, pomflant2, or pomflant3@multiwebs.net."
2. Please verify that the following E-Mail addresses are in your allow list and not blocked by your E-Mail Program or Internet service provider: thunderer@windstream.net and pomflant@multiwebs.net.
3. I would like all of your snail mail addresses, if you have not already sent them to me. This will allow us to keep in touch with you if your E-Mail address changes or has other problems. We do not release this information to anyone outside of this association. Thank you for your support.

News from our Members:

Ron Thomas – We survived Hurricane Irma with high winds and 13.4 inches of rain. We gathered up 17 large piles of limbs that we burned and a developed leak in our fireplace. We were fortunate, that our sub-division was without power for only 12 hours. We had our own power as we installed a whole house Generac 27KW generator the previous February.

Remember we have nothing to post without your inputs.

Hard copy newsletters will no longer be sent. Everything has now gone to digital format and is available online.
